

## [KO] NME4 Mouse mAb

ABZ1144

### Product Overview

|                             |                                                                            |
|-----------------------------|----------------------------------------------------------------------------|
| <b>Name</b>                 | [KO] NME4 Mouse mAb                                                        |
| <b>Accession(Primary)</b>   | O00746                                                                     |
| <b>Host Species</b>         | Mouse                                                                      |
| <b>Isotype</b>              | IgG2b                                                                      |
| <b>Immunogen</b>            | Full length human recombinant protein of human NME4 produced in 293T cell. |
| <b>Calculated MW</b>        | Calculated MW: 21 kDa; Observed MW: 21 kDa                                 |
| <b>Recommended Dilution</b> | WB: 1/500-1/1000; IHC: 1/50-1/100                                          |

### Target information (O00746)

|                          |      |
