

## KIR3DL2 Human

Killer Cell Immunoglobulin-Like Receptor, 3 Domains Long Cytoplasmic Tail 2 Human

RCP1167

### Product Overview

|                           |                                                                                                          |
|---------------------------|----------------------------------------------------------------------------------------------------------|
| <b>Name</b>               | KIR3DL2 Human                                                                                            |
| <b>Accession(Primary)</b> | P43630                                                                                                   |
| <b>Description</b>        | Killer Cell Immunoglobulin-Like Receptor, 3<br>Domains Long Cytoplasmic Tail 2 Human<br>Recombinant, Sf9 |

### Target information (P43630)

**Gene Name**

**About Gene Symbol**
