

## SMCP Human

*Sperm Mitochondria-Associated Cysteine-Rich Protein Human Recombinant*

RCP2133

### Product Overview

|                           |                                                                          |
|---------------------------|--------------------------------------------------------------------------|
| <b>Name</b>               | SMCP Human                                                               |
| <b>Accession(Primary)</b> | P49901                                                                   |
| <b>Description</b>        | Sperm Mitochondria-Associated Cysteine-Rich<br>Protein Human Recombinant |

### Target information (P49901)
