

## TRIM21 Human Biotin

*Tripartite Motif Containing 21 (RO52) Human Recombinant, Biotinylated*

RCP2439

### Product Overview

|                           |                                                                          |
|---------------------------|--------------------------------------------------------------------------|
| <b>Name</b>               | TRIM21 Human Biotin                                                      |
| <b>Accession(Primary)</b> | P19474                                                                   |
| <b>Description</b>        | Tripartite Motif Containing 21 (RO52) Human<br>Recombinant, Biotinylated |

### Target information (P19474)

**Gene Name**

**About Gene Symbol**
